

## **Activity file week ending 1 April**

### **Basketball**

The 18As took on the might of the undefeated Vikings team, the tallest team in the competition, and were beaten in a bruising affair by 15 points. The previous time these two teams met, the As were beaten by 40 points so they made a huge impact in this return bout. Playing some exciting basketball they matched the physicality of the Vikings side. The As finished the regular season in 5th place and will remain in Division A for next season. The team has improved dramatically during the season, and will be better for the experience in the winter competition next season.

### **Cricket**

Two Senior School teams participated in cricket grand finals over the weekend. Congratulations to the 13Cs who were victorious in their grand final, winning by 9 wickets. Unfortunately, the 15Bs lost a close game to St Edmund's College after finishing minor premiers. Both teams will receive medallions at this weekend's ACT Junior Cricket Presentations and will be formally presented to the assembly next week.

### **Pennant Tennis**

Grammar 3 of Jack Gordon, George Frost and Evan Cranney convincingly defeated Forrest, 5 sets to 1. The highlight of the match was Jack Gordon winning 7 games to 5 after a very tight 1 hour and 10 minute set.

### **Rowing**

The year 8 and 9 crews went to the inaugural NSW Schoolboys' Head of the River at the Sydney International Regatta centre in Penrith. CGS was represented in the year 8 single, double and quad sculls and the year 9 single, double and quad sculls and made the final of every event entered.

The highlights of the event were the bronze medal to Lawson Pickering and Lachlan Marshall in the year 8 double scull and the gold medal after a thrilling race to Adrian Trowell and Andrew Creer in the year 9 double scull.
