P & F NAME BRICKS FUNDRAISING PROJECT

The SSIS & ELC P & F committee is offering you the opportunity to have your child's drawing, name and age engraved into a brick as a lasting record of your child's attendance at Canberra Grammar School. The bricks will be used in the renovation of the Southside Infants' playground. The funds raised from this project will go towards installing a three tiered brick seating area in front of the flying fox.

Current and past students of both the ELC and Southside Infants', together with any siblings that will be coming through Canberra Grammar School, are welcome to

participate.

The cost of purchasing a brick is \$30, however if you wish to purchase two or more bricks, the price is reduced to \$25 per brick. A letter, together with a template of the size of the brick for your child's drawing, has been sent home.

The drawing and writing must be done with a medium black marker pen as this will produce the best results. Please do not use ball point pens or computer generated images.

Additional copies can be obtained from the Secretary at Southside Infants', Early Learning Centre, Junior School Office and Senior School front office. Payment must be received with the order from. Payment is by cheque or cash only, please make cheques payable to Canberra Grammar School P & F.
