### **Cricket**

Trans Tasman Cricket Festival 2008

The Ist XI was hosted by Shore in Sydney for the 10th Annual Trans Tasman Festival. The first match was a rain shortened 40 over a side match against Kings College from Auckland. Kings batted well to score an imposing total of 7 for 244 with James Richardson the pick of the Grammar bowlers claiming 3 wickets for 27 runs. Grammar fought bravely but finished up 60 runs short with Elliot Geddes composing a well-played 46 and Tom Pilkinton a gutsy 30. The second match, against Shore, was once again interrupted by rain with Grammar well placed in a 40 over a side match. The final match was a 2 dayer against Christs College from Christchurch. On a difficult wicket, Grammar batted first and made 154 with Elliot Geddes once again making a valuable contribution of 44 runs. Thomas Pilkinton bowled aggressively to take 4 wickets for 2 runs and helped dismiss Christs for 70 runs. In the Grammar second innings James Richardson scored his maiden Ist XI 50 and together with Angus Pfahl, who scored 36, allowed Grammar to reach 9 declared for 140. Christs were then bowled out for 147 with Sean Thomas claiming 5 wickets for 61 runs and Tom Pilkinton 3 for 29. To win outright on the final afternoon was a great way to end the festival. The Ist XI would like to thank Mr Lendrum, Mr Croker and Mrs Polglase for a great trip

### **Futsal**

James McLennan (year 12 Hay) represented the ACT at the recent National Futsal Championships in the under 19 division. The ACT Cobras progressed to the grand final with only one loss from seven games and defeated NSW Thunder to take out the championships.

### **Super karts**

Congratulations to Sean Whitfield who is continuing his domination of the Junior Super kart scene in Australia and is also moving toward a Motor-sport career. Over the holidays Sean undertook a Formula Ford driver-training program at Wakefield Park.

### **Pennant Tennis**

Pennant tennis Grand Finals were held in the last week of term 2007.

The new ACT Pennant Tennis Division One Premiers are Angad Johar, Jason Yan, Spencer Whitaker and Joshua Robertson-Elliott. After a nail biting 4 hour match that came down to the last set and with Angad and Jason down 3 games to 1 it looked like all hope was lost. The boys fought back to come away with a 7 to 5 win, clinching the match by 5 sets to 4.

Angad Johar, Jason Yan, Spencer Whitaker and Joshua Robertson-Elliott will now come forward to receive their trophies from the headmaster.

The new ACT Pennant Tennis Division Six Premiers are Vincent Tran, Prashant

Kelshiker Emmett Richardson and Nick Babington. They displayed superior skills to trounce their opposition 5 sets to 1. The notable performances were Vincent Tran winning his singles 6 games to love and Prashant Kelshiker and Emmett Richardson teaming up in the double to win 6 games to 2.

Vincent Tran, Prashant Kelshiker Emmett Richardson and Nick Babington will now come forward to receive their trophies from the headmaster.

### **Rowing**

The CGS Regatta was held on Saturday on Lake Burley Griffin. The 1st eight defeated Canberra rowing club to retain the CGS cup for men's eights and the junior eight retained the junior eight trophy in the same race. The year 8s and 9s had mixed success against Gippsland Grammar in the division D and E events although we came in the top three for each race. The senior 4 retained the cup for champion school boy four but Gippsland Grammar was too good for us in both divisions of the B grade quad scull. The support from coaches, spectators and parents was much appreciated.
