

Adrian has problems,

BIG problems;

his parents are divorcing,
his dog gets drunk!
his mate thinks he's a 'nerd',
he has to look after a cranky old age pensioner,
he's started coming out in spots!
he's fallen in love with a 'hot chick',
and he has to pay the school bully 'protection' money!

Will he get through these problems, get the girl of his dreams and get rid of the bully?
